

**WEKA** Radar

## Guided Wave Radar

- For Dual-Chamber-VLI or stand-alone
- In 4-wire technology
- Power supply 12...30 VDC
- Active 4...20 mA output, incl. HART®, programmable
- Programmable switching output DC PNP
- Single rod or coaxial probes
- For dielectric constant  $\epsilon_r$ : single rod  $>1.8$  / coaxial probe  $>1.4$
- Resolution  $<1$  mm, accuracy  $\pm 3$  mm
- Ex d version available
- Easy installation
